

USA Spirit Christian TaeKwonDo Academy

Demo Team – INFORMATION MEETING

1. We, USA Spirit, would like to form a Demo Team.
2. The Demo Team will, ideally, consist of 12-20 members of USA Spirit Christian TaeKwonDo.
3. The Demo Team will, ideally, have a wide age range [youth AND adults] AND both male and female members.
4. The Demo Team will have stylish, new, matching Mooto uniforms and warm-ups. It will be your responsibility to purchase. We are in the process of registering to become a distributor and may get better pricing.
5. The Demo team should expect to have at least one dedicated and combined Demo Team practice per month.
6. The Demo Team should expect to participate in one [initially, and eventually one-two] Demo's per month at area churches, youth groups, parades, etc.
7. What will you do at Demo's? Master John is in the process of designing an exciting, new Demo that will include some things we saw our Russian guests perform. The actual Demo may change from time to time and venue to venue, but we want it to be exciting and rewarding.
8. The Demo Team is open to Green Belts and above. In fact, we want all belt ranks from Green to 4th Degree Black Belt to feel free to be part of the team.
9. What if you are not yet a Green Belt? You will have the opportunity to participate once you reach Green Belt. We expect that Demo Team membership will change over time.
10. **What do I do next? Come to an INFORMATIONAL Meeting held at the Moorhead dojang at 7:00 on Friday, the 16th of November.** Meeting will be following "Russian Night" viewing of the Russian demo video.
