

USA Spirit Christian TaeKwonDo Academy

EXCITING, NEW MEMBER REFERRAL PROGRAM

We have this first class dojang, committed instruction, the best curriculum available, flexible and frequent class schedule AND the power of the Lord and his message behind us.

We want to grow this ministry and you are the best way to help us grow and reach more people with the message of our Savior and with the quality TaeKwonDo instruction we offer.

We are announcing a new member referral program which will reward you for helping bring in new members. On the reverse side of this announcement are three USA Spirit “wearables” that you can earn, simply by bringing in new members. Here is how it works;

You, or any member of your family, invite a prospective new member to USA Spirit.

After that person becomes a member by paying for one or three months, you get credit for one referral.

With one referral, you get rewarded with one of the new, stylish T-shirts on the back of this announcement, and in the color of your choice.

If you are a “go-getter” and get two people to join, in addition to the T-shirt, you ALSO get rewarded with your choice of either a Disciple’s Cross or a specially designed long sleeve T-shirt.

AND, if you get three people to join, in addition to your first two selections, you are rewarded with our brand new hooded sweatshirt you see on the back page. Or, you can choose either a set of shin/instep guards or forearm guards instead of the hooded sweatshirt.

With five new members, you will be rewarded with either a new uniform OR any other item listed above for you or a family member.

So, go out there and get your friends, relatives or neighbors to give USA Spirit a try. You get “credit” as soon as the referral pays for a month, three months, or more. As an added incentive for new members, the first ten new members [who mention this referral program] will get an extra free month with a paid membership for three months. That’s right! The first ten who join for three months will receive a free uniform and a free month of taekwondo plus a free family Cormax membership for two months.

See the reverse side for the new design and exciting colors. These items are ALSO available for purchase. Ask about pricing!!!!
